5 Bedroom, 3.00 Bathroom, 1,468 sqft
Residential on 0.20 Acres

NONE, Edson, Alberta

Welcome to this exceptional home, built in 2012, nestled in a peaceful cul-de-sac within the highly desirable Hillandale subdivision. Set on an expansive 8,790 square foot lot, this meticulously maintained property offers over 1,400 square feet of living space, featuring 5 generously sized bedrooms and 3 full bathrooms. The inviting interior boasts a spacious front living room with a cozy gas fireplace and a new feature window that opens on two sides. The beautiful kitchen is highlighted by rich maple espresso cabinets, stainless steel appliances (both the dishwasher and washer/dryer were replaced in 2024), ample cabinetry, and a large central island. A bright dining area overlooks the vast backyard. The main floor also includes a 4-piece bathroom with convenient tower storage, a large master suite with a walk-in closet and a 3-piece ensuite, as well as two additional roomy bedrooms. The fully finished basement is perfect for additional living or entertainment space, featuring an expansive family room, two large bedrooms, a 4-piece bathroom, and a laundry/utility room with ample storage. The basement is also plumbed for future in-floor heating, offering additional customization options. Outside, the fully fenced backyard provides a safe space for children and pets to play, there's a shed for storage, additional parking for your RV and a gravel pad that is ready for extra parking or can serve as a solid foundation for a new shed. With pride of ownership evident

throughout, this beautiful home is ready for its next family to enjoy.
