4 Bedroom, 2.00 Bathroom, 1,160 sqft

Residential on 0.49 Acres

NONE, White Sands, Alberta

Whether you're looking for a weekend getaway or to get out of the city full time, this 4-bedroom, 2-bathroom home is ready to go, sitting on nearly half an acre – right across the street from the lake! The living area of the main floor is designed for easy entertaining; while you're getting the drinks and snacks ready in the kitchen, you can still visit with your guests. The large dining area can accommodate any dining room table, with large windows overlooking the lake. Just off the dining room is the generously sized living room, with vaulted ceilings, upgraded lighting and a cozy, custom fireplace for those cooler days. The living room has large south facing windows, so there is plenty of natural light. Just off the main living area is the fantastic 10x26 private covered deck. So, rain or shine, you can enjoy the outdoors. There are also 2 good-sized bedrooms, and a freshly renovated 4-piece bathroom. The custom tiled shower/bath has just been installed in February 2025. Downstairs, the walkout basement has a great family room, 2 bedrooms with full-sized windows, a 2-piece bathroom, and access to the attached garage. The hot water tank in the adjacent utility room was just replaced in February 2025, and hidden under the stairwell is the water holding tank. Outside, you™ll find .49 acres with 130 feet of frontage to enjoy, so there is plenty of recreational space and parking. The front yard is ideal for sitting and appreciating the lake view. It showcases a beautifully treed

landscape with mature fruit and lilac trees, as well as perennials. Much of the property has been fenced -- great if you have dogs or little ones. Under the covered deck is the private area for the 3-season, 6-person hot tub, which is included in the sale. Also included are two large sheds, one of which has power and light. The back wall of the home is outfitted with hot and cold water taps. The back yard boasts a great firepit area featuring a custom stone retaining wall with seating, and is surrounded in trees, so even on the windiest days you can still enjoy sitting around the fire. Beyond the retaining wall is forested to the property's edge, for privacy and shelter, with a municipal reserve and walking paths. Trips to the beach are fun and easy on the 2016 Yamaha electric golf cart with rear bench and light package, powered by newer lithium batteries (golf cart negotiable in sale). If you've been looking for a year-round lake house that is tasteful, comfortable and affordable, you may want to take a look at this one!
